SOL RACE RECORD

Built in 2018 by Green Marine to a design by Hamburg's Judel Vrolijk, Whisper, aka Chinese Whisper, is another one of the bigger beasts, like Wild Oats X (SOL's R/P 66) and Alfa Romeo II (SOL's Super Maxi 100), competing regularly for line honours in Australia's Offshore Classics.

First home in the 2018 Melbourne Osaka and the noticeably shorter 2020 Adelaide to Port Lincoln, when the biggest beasts are out, like in 2022's Sydney Hobart, she can't quite keep up, but let's see how she sails on SOL anyway.
