

"... Once again SCARABOCCHIO didn't win ..."

Joanne asked me to write a report ... I don't know how I managed to finish third in the Tour of Scandinavia ... I can only say thanks to rumskib that, in the last race, has unexpectedly made a series of BBQ and gave me his place in rankings ...

As always, my commitment was maximum, the kitchen on board has always worked a lot and the galley has supplied the crew with hearty Italian food, nice cold beer and so much good wine ...

More than just a series of races, it was a fantastic cruise in a beautiful sea, with a beautiful landscape and the unique, magical and joyful companionship of you SOLers.

Now you know why **"... Once again SCARABOCCHIO didn't win ..."**

Fair Winds all ... Gooo SOLers Goooooo!

(Carlo Alberto SCARABOCCHIO)
