

# DATE OF SYC MEMBERSHIP VALIDITY TO ATTRACT 2014 CHAMPIONSHIP PRIZES

---

Due to present mechanicals of SYC membership as to races validity for rankings , and to avoid unnecessary misunderstandings , the following method for validating the Championship series ranking results and consequently prizes attribution will be in force :

1. The official list of SYC members eligible for each Championship prizes will be the one offered by server on the day after the closure of last race of each Championship .
2. E.G. : suppose that The Gold Rush race ( 12<sup>th</sup> and final leg of SYC Championship ) will be closed by OPS on DEC 10<sup>th</sup> ( normally a few days after first boat arrival ) . During the GMT night between the 10<sup>th</sup> and the 11<sup>th</sup> the server will update the SYC membership list as at date . After such update , and within the following 23 hours the list will remain static and will be downloaded as final list for eligibility of series rankings of SYC Championship
3. Each of the four eligibility lists will be published in Forum under SYC topic as soon as available
4. Each of the four lists will be final "in stone" and no retroactive exceptions will be made .

We at SRC are sure you all will concur with this clean and clearly spelled out method .

Ready to respond to any comment or query.
