

First of all, I want to express my sincere gratitude to all the staff SailOnLine. Good work!
So ended another marathon circumnavigation. It gave us many memorable , sad and hilarious moments.

I think that all the participants gave 120%

Unfortunately, mistakes in the first race, dashed hopes for the fight in the championship.
But in this, the final race, I was able to do everything with almost no mistakes.

There was a tense, sleepless struggle in the beginning.
For a long standoff in the middle.
And carefully driving in the end.

I hope that four years will fly by, and we are racing again in the new championship.

And yet - do not relax!
On the best server Sailonline.org, there is always something interesting!

Best, Victor / kenza.
