

SYC CHAMPIONSHIP 2015

Some of the most popular SOL classics formed the pattern of the SYC Championship in 2015 (Around Turkey , The Vineyard , Lake Superior Lights ...to mention only few of them) . **Dingo of Australia** planned carefully the victory from the beginning, including perfect choice of the two discards , and , after winning the Ocean Cup in 2014, managed to repeat the achievement in 2015 with the SYC Championship, through an outstanding sequence of top results . **Bonknhoot of Switzerland** took the second podium spot , in short distance from the winner , whilst **Neuroman of Italy** seats on the third spot , leading the “pack of the others” . Second bronze for Neuroman after closing two Championships . Very little doubt still as to who will become “ The Supersoler of 2015” (still unofficial).

The SYC Championship will be discontinued “as is” in 2016 , and replaced with the Corporate Open Gold Cup , details of which will be soon released with its own NOR.

In 2015 some **655** boats registered to at least one SYC Championship Race , and **finally 172** qualified for Series rankings , as they participated to at least one of the SYC Championship races as SYC members

With the closure of the SYC yearly Championship also the Q4 one has been closed , and the victory goes to **kenza of Russian Federation** (two Q4 victories out of two quarterlies so far) , with a triple victory in this last quarter SYC Championship.
