

## OCEAN CHAMPIONSHIP 2015

A good balance of races ( some SWR legs and some of the most popular SOL classics ) formed the 2015 Ocean Championship . Since the very beginning it was clear that **nacrr of Portugal** strongly wanted the CUP. Along the year he was heavily attacked by **rafa of Peru** and **rumskib of Germany** , but the Portuguese skipper held strong position and in the end , with a perfect last leg , dismissed the competition bravely.

Only few points separate the top finishers , a sign of real strong commitment from all contestants.

The Ocean Championship will be continued “as is” in 2016 , with two legs per quarter , one of which is planned to be very long!

In 2015 some **1094** boats registered to at least one Ocean Championship Race , and finally **217** qualified for Series rankings , as they participated to at least one of the Ocean Championship races as SYC members

With the closure of the Ocean yearly Championship also the Q4 one has been closed , and the victory goes to **rafa of Peru** ( two Ocean Quarterly victories for him in 2015).
