

## **SPRINT CHAMPIONSHIP 2015**

Two boats fighting fiercely throughout the year : **Lou of Italy** ( aka Legend Lou ) and **WINSTON\_4 of Italy** ( aka WIN ) . Only one or two points separated the two for most of the year , and they exchanged lead many times along the 24 races. Towards the end of the season Legend Lou imposed its ruling and increased its lead , winning the CUP as he planned since the beginning.

A good sign of powerful performance : the two boats filed together 10 victories out of the available 24 ( 5 each ) , and as many as 24 out of the 72 available podium places. Both boats won all four quarterlies ( two each ).

**rumskib of Germany** sits in a fully deserved mode on the third podium spot for this series.

The Sprint races have a limited but very loyal group of supporters throughout the SOL Community , and SRC have done their best to accommodate everybody around the globe in as far as start times.

In 2016 this Championship will be repeated , with 20 races in total ( 5 per quarter ) , whilst a project for adding a “ regional “ flavor to this challenge from 2017 is under study.

In 2015 some **675** boats registered to at least one Sprint Championship Race , and finally **174** qualified for Series rankings , as they participated to at least one of the Sprint Championship races as SYC members,
