

SUPERSOLER 2015

When the 2015 SUPERSOLER mega-challenge was launched , some shivered and many laughed ! :

The ingredients : 56 SOL Championship races in 2015 with ONLY 6 discards . Race them all ! ...Do well in all of them !...Resist for 12 months to the attacks of the entire SOL Community !

One skipper did not laugh nor shivered : **Neuroman of Italy**.

He simply planned to take the CUP , and just never gave up the plan ! . At times he was attacked fiercely by **rumskib of Germany** and **rafa of Peru** , but Neuroman's pace continued and increased towards the end of the year. One curiosity : he did not win any of the 56 races . He only filed 6 podium finish . Also : even if the series did not allow any discards , Neuroman would have won by far , confirming that the ever green rule of series racing is still the one that counts : RESULTS CONSISTENCY !

In 2016 the SUPERSOLER CUP will be assigned again , after 44 races in total (8 Ocean , 12 Timed , 20 Sprint and 4 COGC), allowing 6 discards.

In 2015 some **1337** boats registered to at least one Championship Race , and finally **238** qualified for Series rankings , as they participated to at least one of the Championship races as SYC members,
