

## First 44.7

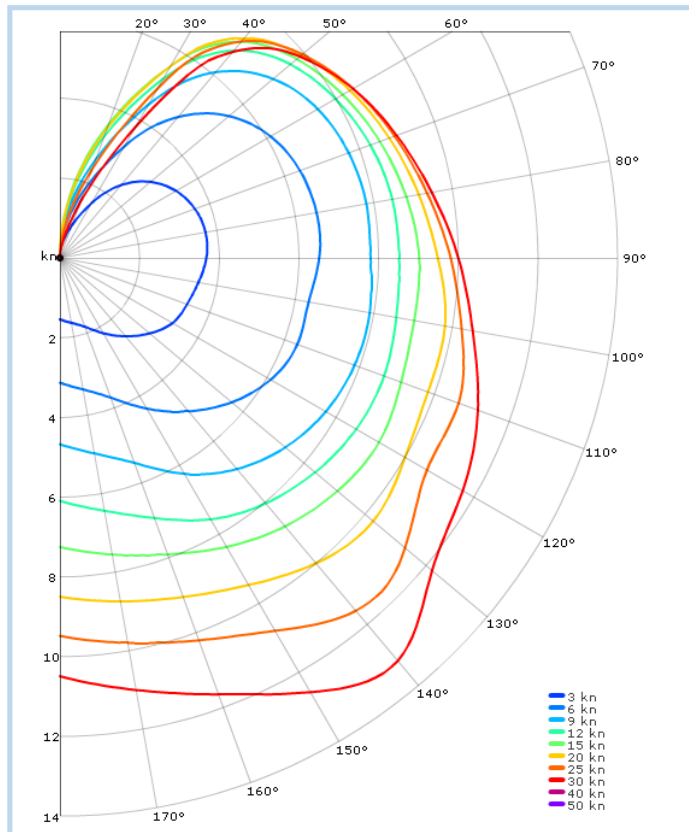

**GENERAL ARRANGEMENT**

**ACTION PHOTO**

**POLAR DIAGRAM**

**SOL RACE RECORD**

Designed by Bruce Farr and built by Beneteau, The First 44.7 was presented in 2004 in two versions, a cruiser, and a racer (the two different keels in the GA picture).

It quickly became very popular for its fine sailing qualities, and was selected as the best cruiser/racer in the 2005 Boat of the Year contest by Cruising World.

It was incorporated into the SOL fleet in 2012 and has since then been raced frequently, as you can see via the link below.
