There are three boat designs to choose from and **each one may NOT be used more than twice during the six race Series**, according to the [NOR](#) of the series.

The three boat designs are: [40' Particulars](#)

IMPORTANT:

Before you choose the boat design, log in with the "Guest" boat (Username=guest/Password=guest) so you can view the predicted winds to help you choose the best boat/polar for the upcoming race.

Once you have chosen to register a boat design for this race, it cannot be undone!

REMEMBER:

Choosing the same boat design more than twice in the series will get you disqualified from the race in question!!
