### Jakob's Birthday BBQ Race - 2018

This was the seventh edition of this classic race. With exception of one race that was sailed on a Linjett 33, all others were sailed on a X-35 OD.

This was the second win for 'Sadlersailing'. It was a fast race but not enough to break the course record set by 'number1' in 2015.

Thank you for participating and hope to see you all next year!
