The SYC Championship winner was **ij** with a point total of 22 from 6 x 1^{sts}, one 2nd, one 4th and one 10th.

Given this domination by **ij**, winning six out of the 9 races to score, **WRmirekd** did very well to accumulate just 26 points with one 1st, two 2^{nds}, four 3^{rds}, a 4th and a 5th. It was a close contest between **ij** and **WRmirekd** which is just how we like it.

Third in the series was **bonknhoot** with 48 points with two 1st (that accounts for all of the available wins in this series being spread between the top three yachts), three x 2^{nds}, 7th, 8th, 9th and 16th. His points share with **rafa** also on 48 points being resolved with **bonknhoot**'s wins whilst **rafa** only had 2^{nds}.

The NOR for 2020 is now published in the SOL forum and can be found at: -
