

Rankings by Nation

Quarterly update from SRC

2019 - FINAL

At the end of the full year 2019, or 94 races in all, we can say that the fight for podium places and therefore for medals has been very fierce both in the Individual arena and the Team one .

The fight for top spots in the **Individual** Rankings by Nation has seen a “ head to head” till the very last couple of races between Finland and Poland , both far away from any other Flag in terms of Individual victories number

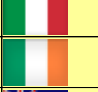

As to **Team** rankings the thriller has been for Bronze , where three flags were head to head till the very last race. The first two spots were private Business between Italy and Denmark till about November . At that time Italy cashed the mathematical certainty of victory.

In Detail:

INDIVIDUAL: **Finland** has taken the GOLD medal in Rankings by Nation (Individual) with 19 victories , just two points above **Poland** who takes SILVER with 17. Third and BRONZE spot for **Peru** with 9 , just one victory more than a trio of runner-ups (Italy , Ireland and Australia).

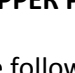

Ij has been by far the leading **Finnish** skipper for individual points , as well as **WRmirekd** has been the one amongst **Polish** skippers. Our Friend **rafa** does not have “internal **Peruvian** ”competition , but we well know how solid competition he is able to be against all other SOLers. For this reason he comes the happy “alone” third in the individual rankings.

SKIPPER POINTS :

The following file , that is also published in the Nation rankings 2019 Forum thread (under Sailonline Yacht Club), recaps the situation by each skipper as to Individual and Team ranking points. It shows how a SOLer can be consistent in securing points to his/her flag , even without winning races. The three best medalists in Team rankings (**brandystrega for Italy , Bimmer for Denmark and LittleSurprise for the USA** have not won a race in SOL in 2019 , but they earned an excellent prize for their consistency.
