

HOW TO BE DISQUALIFIED IN THE 40' SERIES.

There are four boat designs to choose from and **each one may NOT be used more than three times during the twelve race Series**, according to the [NOR](#) of the series.

The four boat designs are: [40' Particulars](#)

and their official polars are here as a zip-file, just recently uploaded by "sailonline":

IMPORTANT:

Before you choose the boat design, log in with the "Guest" boat (Username=guest/Password=guest) so you can view the predicted winds to help you choose the best boat/polar for the upcoming race.

Once you have chosen to register a boat design for this race, it cannot be undone!

REMEMBER:

Choosing the same boat design more than three times in the series will get you disqualified from the race in question!!
