SOL RACE RECORD

Just nine years ago in Chioggia, Venice, Franco Corazza founded Italia Yachts, launching his 10.98 that same year to much public acclaim. A 13.98, a 15.98, a 9.98 and a 12.98 followed in due course and in 2019 their latest of several designs by Maurizio Cossutti was launched.

Stylish, sumptuous and speedy, the IY 14.98 is quintessentially Italian, and so the publicity shot adjacent sees her gliding along in the faintest of Mediterranean breeze, flaunting her ample teak decks and twin rudder positions.

Try her online and rest assured your progress will be elegant.
