

SAILONLINE RANKINGS BY NATION 2026 INDIVIDUAL

Sailonline will continue in 2026 to run a rankings by Nation format, in its “individual” scheme.

Here the mechanicals, that continue to be valid in 2026

GENERAL

- All SOLers , irrespective of SYC membership, will contribute to the “INDIVIDUAL RANKINGS BY NATION”
- Each race starting in 2026 that will be valid for rankings accrues points to this ranking.
- At the end of each month a provisional situation for Nation rankings will be posted here.

INDIVIDUAL

- Whilst in the Olympics the “medal list” includes only Gold, Silver and Bronze , at SOL the Medal List extends to positions from 4th to 10th
- The rankings will be ordered by number of higher ranking scores (E.G nation with 1 Gold and 3 Silvers will precede nation with 0 Golds and 5 Silvers and so on). Should two Nations end with the same number of Gold, the number of Silver will serve as tie breaker and so on.
